

longMI: Longitudinal Measurement Invariance

Ivan Jacob Agaloos Pesigan

Description

Fits longitudinal measurement invariance models using the 'lavaan' package. For a thorough exposition of testing measurement invariance, see Millsap (2011).

Installation

You can install the development version of `longMI` from [GitHub](#) with:

```
if (!require("remotes")) install.packages("remotes")
remotes::install_github("ijapesigan/longMI")
```

More Information

See [GitHub Pages](#) for package documentation.
